ASSEMBLY BILL 22 TRANSITIONAL PLAN

Starting with the 2022-23 school year, all school districts in California are required by state law to expand their Transitional Kindergarten (TK) programs until all 4-year-olds are eligible for TK by 2025-26. At this time, Vibrant Minds Charter School will phase in this expansion over the next four years in alignment with state law. Please see the chart below for the current eligibility by school year. However, VMCS is seeking clarification to determine if we can implement the 2025-2026 plan beginning in 2022-2023 rather than phase it in. This seems to be a better approach for our families, as well as program consistency. However, we need to ensure it is supported by the State of California.
