

Hi VMCS family.

I am Mirta Linda Carmona. A proud parent of a 4th grade scholar. I currently work as a transition counselor for North Orange Continuing education for adults with special needs that request support to transition into local community colleges from K-12 Districts. I earned a master's degree in clinical psychology from Vanguard University. I earned a bachelor's degree, in Human Services from California State University Fullerton.

I have past experience as a Marriage and Family Therapist Intern with K-12 districts in Orange County for 2+ years.

I Look forward to being a part of our VMCS school site council representing parents. I love VMCS and its family environment. I look forward to working closely with other parents, VMCS staff, and administrators to discuss school matters that affect our VMCS scholars. I look forward to and I am honored to serve this 2023-2024 academic school year on our School Site Council.
