

GOALS ACADEMY

PARENT INVOLVEMENT IS JUST ONE REASON GOALS IS THE SCHOOL EVERYONE LOVES

At GOALS Academy, families are an integral part of the development of our school. We value the voice, choice, and leadership of parents to help shape, develop, and strengthen the vision of the school's future. Parents serve through amazing contributions of time, service, talents, donations, and promotion.

Our founding director, Dr. Schroeder, envisioned an educational opportunity for scholars that is co-created through the participation of scholars, parents, community, and educators. All ideas are welcomed!

GOALS Academy maintains a positive school climate that creates the best educational experiences for our scholars through surveys, meetings, one-on-one discussions, and leadership roles that represent the voices of the families.

We believe this philosophy of co-creation gives parents an opportunity to be active participants in their children's education. Through our combined efforts, we are: "A School that Families love."

SEEING THE PROGRAM IN ACTION

THIS IS OUR SCHOOL SITE COUNCIL

Our School Site Council (SSC) is comprised of teachers, parents, and classified employees. The members work with the director to develop, review, and evaluate school improvement programs and budgets. The SSC member representatives are elected by their peers. Parents elect parent members (four), classified staff elects a member (one), certificated staff elects certified members (two) The director is also part of the SSC.

The SSC meets on a regular basis to make decisions and advise the director on the school budget, academic programs, school improvement plans, parent engagement, safety, and discipline plans.

Members of the SSC represent the families' and staff viewpoints, decisions, and concerns at the monthly GOAL Academy Governance Committee.

The following areas have been developed through the collaboration of our council:

FAMILY AND STAFF TEAM F.A.S.T.

GOALS Academy has a very active parent group called F.A.S.T. that has as its mission to support and empower families to engage in their children's education and support the scholars' learning. This makes an incredible difference for scholars' success and the school's excellence.

We have two major campaigns for fundraising each year, as well as a few smaller events that promote family connections.

All fundraising efforts are utilized to enhance the scholars' educational experiences through:

- Field Trips
- Outdoor Science School
- STEAM
- Visual and Performing Arts
- Little Labs/Big Labs
- Family Events
- Cultural Celebrations
- Special Events

In addition to fundraising, F.A.S.T. has many special events that promote community, family, and holiday experiences:

- Chili Cook Off
- Earth Day
- Holiday Events
- Labrador Gala
- Multi-Cultural Night
- Talent Show

All parents and staff are considered to be members of F.A.S.T. No membership dues are required. All we ask is a willingness to serve and make a difference in our scholars' lives.

Elections for officer positions are held each year at Open House.
